Docket No. CP2020-35

**USPS MOTION FOR LATE ACCEPTANCE OF NOTICE OF AMENDMENT TO
PRIORITY MAIL & FIRST-CLASS PACKAGE SERVICE CONTRACT 129**
(June 2, 2023)

The Postal Service hereby moves for late acceptance of its notice of an amendment to Priority Mail & First-Class Package Service Contract 129. The Postal Service has today filed its notice that the parties have mutually agreed, pursuant to Section VI of Priority Mail & First-Class Package Service Contract 129, to amend the contract. However, the Postal Service recognizes that the language of Priority Mail & First-Class Package Service Contract 129 calls for notification to the Commission at least seven days prior to the contract's termination date. Priority Mail & First-Class Package Service Contract 129 was scheduled to terminate on June 7, 2023, and although the parties agreed to an amendment to extend prior to that date, the appropriate notice was not filed with the Commission until today. The delay was a result of obtaining internal approvals for filing the amendment once the amendment was signed by both the customer and the Postal Service. The Postal Service regrets the delay but submits that no party has been materially prejudiced by it.

Respectfully submitted,

UNITED STATES POSTAL SERVICE
